

Farm Hand Edition

A farm hand is a jack of all trades with the ability to learn on the go in any weather conditions. A farm hand is not only a career, but a lifestyle where no two days are ever the same. The seasonal hours during harvest and planting can be longer, the reward of seeing a plant or animal grow and mature through the life cycle provides an amazing work perk.

How to Get There.

EDUCATION/CERTIFICATIONS

- Commercial Driver's License
- Commercial Pesticide License
- Precision Agriculture Certificate

CAREER PATHWAY

Having a farm hand line item on your resume carries more weight than a four year degree on a farm. A farm hand career path can open doors to every industry that requires mechanical aptitude and a strong work ethic. The job opportunities range from Crop Consultant, Grain Systems Manager to Retail Agriculture Manager.

What to Expect.

STARTING WAGES

\$13-18/Hour

TYPICAL WAGES

\$35-42K/Year

WORK ENVIRONMENT

Outside enjoying all the seasons Mother Nature can provide with an optional steel shed to spin a wrench during the offseason.
