***Please explain why you want to serve as an ISB/ISG At-Large Board Director and how you are qualified for the position.***

- I'm currently an ISB/ISG board member and currently hold the office of Treasurer and past Secretary for the organizations. I feel like with my previous experience on the boards and with other organizations I have the ability to serve in a positive way. I prioritize when I am on a board or committee to try to attend each meeting and project a positive image of the organization that I represent. I try to make informed decisions and votes on what is best for the 43,000 Soybean farmers of Illinois and invest our check off dollars wisely.
